PROFILE

I am a professional with a natural curiosity and a keen ability to learn quickly. I love exploring new areas and welcome change as an opportunity for personal and professional growth. My flexibility and willingness to put myself into action allow me to adapt quickly to new contexts and meeting challenges with energy and proactivity. I am not afraid of change, indeed, I see it as a lever to always improve and discover new skills.

EXPERTISE

As Controller, I manage monthly and quarterly closing activities, ensuring accuracy of accounts and adherence to deadlines. I support forecast preparation, analyzing deviations from actual results, and contribute to annual budget planning, working with different departments and countries to align data with business objectives
